## Lake Agassiz

*“Kiwaniis is a global organization of volunteers dedicated to improving the world one child and one community at a time.”*

The **Kiwaniis Club of Lake Agassiz** wanted to create a legacy following its dissolution in the fall of 2021. With this defining statement as a guide, LAK created an endowment to be administered by the F-M Area Foundation which will generate a \$1,000 scholarship to be awarded each year to a senior in the Fargo, Moorhead and West Fargo area to be applied toward the costs of tuition, campus housing, board or books at a post-secondary institution of the recipient’s choice.

### **Students are eligible to apply if they:**

- Graduate from a high school located in Fargo, Moorhead or West Fargo
- Are applying for first-year admission into any post-secondary training program (college, university, technical or trade school)

Criteria on which the applicants will be judged include:

1. **Service** to community and school;
2. **Leadership** in activities and organizations that provide service to people;
3. **Character** – high level of integrity, honesty and conscientiousness

The applicants should include the following components:

1. **Completed application** form
2. **Personal statement** (500 words or less) that includes the following points:
  - State your educational objectives and plan for life’s work and why you have chosen them
  - Why you feel that you are a good candidate for this scholarship
  - What community service activities you have been involved in during high school either through school or non-school participation and what leadership roles you have assumed
